We have received the logistical information and agenda for the G7 environment ministers track Marine Litter Workshop. I have Walker, Nancy and Caron down as participating for the USG. Please make sure to register for the dinner and the workshop by March 31st to rossi.cristiana@minambiente.it, melissari.luca@minambiente.it and copy Brianna Besch here at EPA.

As we get closer to the workshop, we will host a teleconference to organize objectives/approach for the US participants.

Best regards, Hodayah
